STATE LOTTERY FUND

Michigan Compiled Laws (MCL) Section 432.41 established the State Lottery Fund and MCL Section 432.5 created a Bureau of State Lottery under authority of Article 5, Section 4, of the State Constitution. This authority expired on August 1, 1974, at which time the Bureau became an organizational entity in the Department of Management and Budget. The Bureau was transferred to the Department of Treasury during fiscal year 1991. Net income of the fund related to lottery operations is transferred to the School Aid Fund and the fund's net income related to bingo and charity games regulation is transferred to the General Fund. The remaining net assets balance represents the unrealized cumulative gain or loss on investments, as required by GASB Statement No. 31.

Revenues and related expenses are recognized in the period during which the related drawings are held. Deferred prize awards are recorded as expenses and liabilities at their discounted present value. The State Treasurer invests funds equivalent to the discounted value of the installment payments and the Lottery Fund is credited with the interest earnings.

MICHIGAN UNEMPLOYMENT COMPENSATION FUNDS

The columns for the Michigan Unemployment Compensation Funds reflect the activity of two funds administered by the Unemployment Insurance Agency within the Department of Labor and Economic Growth: the Michigan Unemployment Compensation Fund and the Michigan Employment Security Act Contingent Fund. The Michigan Unemployment Compensation Fund receives contributions from employers and provides for the payment of benefits to eligible unemployed workers. The fund also makes payments under certain federally funded programs. Administrative costs of the fund are accounted for in the Michigan Employment Security Act - Administration Fund, a special revenue fund.

The Michigan Employment Security Act Contingent Fund was created by Michigan Compiled Laws (MCL) Section 421.10 to receive a special temporary unemployment tax surcharge, known as the solvency tax. The fund also receives interest and penalty charges on late contributions. MCL Section 421.10 restricts use of solvency taxes for payment of interest on the Michigan Unemployment Compensation borrowings from the federal government.

A portion of the asset "Amounts due from other funds" and the liability "Amounts due to other funds" represent receivables and payables between the Michigan Unemployment Compensation Fund and the Michigan Employment Security Act Contingent Fund.
